Bring Your Own Device Specifications for 6th-12th Grade
2025-2026

FPA is committed to preparing students to be literate, responsible citizens in a global economy. We seek to encourage technology as an accessible tool used to facilitate learning in a variety of ways. FPA expects technology to be used in a responsible manner. The school has established policies and procedures for the use of all technology systems along with rules governing the behavior for accessing systems. Policies regarding conduct and behavior with personal devices can be found in the Parent/Student Handbook.
