Consider: electrocardiography (ECG),	echocardiography, and refer	rral to cardiologis	st for abnormal c	ardiac history or exa	amination findings or a combination of those.			

Preparticipation Physical Evaluation

_____Medically eligible for all sports without restriction.

Medically eligible	for all sports	without restriction	with recomme	endations for f	further evaluation	or treatment of:

____ Medically eligible for certain sports: ____

____ Not medically eligible pending further evaluation.

____ Not medically eligible for any sports.

Recommendations:

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. If conditions arise after the athlete had been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete and parents or guardians.
