

Service Hours Requirements

Annual service hours are required for all students in 7th - 12th Grade. Two (2) school days of service will count toward ten (10) hours of service hour requirements; the remaining difference is the responsibility of the student to complete individually outside of school. Service hours completed during the summer will be applied to the following school year only. All student transcripts will indicate the number of hours earned. Students earning more than 300 cumulative service hours will receive a silver cord to wear at graduation. *Failure to complete the required service hours each year will result in a failing grade in their current Bible class.*
